

Hey there! How's it going?

Hi! I'm doing well, thanks for asking. How about you?

I'm great! Just working on this LaTeX book that I'm making for Zoë.

Well THAT sounds fun. Are you going to show updates to your bezzie Steve?

Ofc ofc ofc. I'm sure he'll probably get bored by the end of it. All these screenshots of pdf files. He ain't got time for that you know?

Well I'm sure he'll be happy to provide some constructive feedback. Steve is a man of opinions

This is very true, this is very true.
